The film we saw and loved  
The cab that never showed  
The moon that walked us home

Tell me that you care  
Let me know you're mine

Ain't it those simple things  
That make love a joy to live  
The pleasure they bring  
Just the thrill it is to give  
Emotions will sing  
With just those simple things

The light upon your hair  
The touch of your skin  
This cotton cave we're in

Tell me that you care  
Let me know you're mine

Ain't it those simple things  
That make love a joy to live  
The pleasure they bring  
Just the thrill it is to give  
Emotions will sing  
With just those simple things

Tell me that you care  
Let me know you're mine

Ain't it those simple things  
That make love a joy to live  
The pleasure they bring  
Just the thrill it is to give  
Emotions will sing  
With just those simple things  
Those simple things

Those simple things  
Those simple things  
Those simple things
