She was so fresh in that dress
A small voice said, "Resist"
But the Devil was in my heart
And the future was on her lips

She's so fresh in my head
Her eyes haunt me still
Of course love's meant to hurt
That's why girls dress to kill

With my hand upon my heart
A promise starts, I'll rescue you
With my hand upon my heart
Just one slow dance, I'll rescue you, rescue you

She was so fresh in that dress
Flirting's such a bore
Why can't she just walk up to me and say
"You're the man I'm looking for"

With my hand upon my heart
A promise starts, I'll rescue you
With my hand upon my heart
Just one slow dance, I'll rescue you, rescue you

Laa laa laa
Laa laa laa
Laa laa laa
Okay

She was so fresh in that dress
Flirting's such a bore
One chance to caress
Well worth angling for

With my hand upon my heart
A promise starts, I'll rescue you
With my hand upon my heart
Just one slow dance, I'll rescue you

With my hand upon my heart
A promise starts, I'll rescue you

With my hand upon my heart
Just one slow dance, I'll rescue you, rescue you

That's what I want to do
I'll rescue you
[Incomprehensible] let me take you away from all this

Laa laa laa
Laa laa laa
Laa laa laa
