Timeless story
Oh so real
Sent from glory
That the whole world would be healed

They didn't know that You could save us
Turned You away and did not care
They couldn't see the destiny You carried
Heaven's Own Son

They didn't know

We make room for You
We make room for You
We make room for You
Heaven's Own Son

For God so loved the world
That He gave His only son
We do believe and we will worship
Heaven's Own Son

They didn't know
Turned You away
They couldn't see
Heaven's Own Son

We make room for You
We make room for You
We make room for You
Heaven's Own Son
