I'm sitting alone right here
I keep all your letters lying by my bed
Maybe I've understood you wrong
What takes you so long

I have never felt so sad
Reality strikes, it sometimes really hurts
I must be a fool to love you like crazy for so long

There ain't nothing more to say
You took for granted love I gave
And there ain't no one else to blame
Illusion of a happiness

You ask am I fine today
I've waited so long this love to fade away
By now I have come to the end of the line
There is no more time

You do not believe I could ever leave you
But you're wrong

There ain't nothing more to say
You took for granted love I gave
And there ain't no one else to blame
Illusion of a happiness

There ain't nothing more to say
Don't talk to me, don't call, don't stay
This is my only way to end my
Illusion of a happiness

I don't know where my life is going
What's behind these eyes so blue
Tell me what you're feeling, oh baby
Tell me we're through
I'm not completely over you

But there ain't nothing
But there ain't nothing more to say
You took for granted love I gave

And there ain't no one else to blame
Illusion of a happiness

There ain't nothing more to say
Don't talk to me, don't call, don't stay
This is my only way to end my
Illusion of a happiness
