Verse1:

My effect on you is more than love.
The change on me would be more than
Just the love on you.
Is it because I'm gonna surrender to
You.(no! uh-oh)
Is it you that I'm gonna worry for.(yeah-es)
Every since I layed my eye's on you
I found it hard that I'll never get over you.(you!)

Chorus:

Tell me, tell me, tell me something
That I wanna hear from you.
I wann hear it's love, it's love, it's love
That's on you.
I want you to be mine, be mine.
Cause All I want is you.
No one else in the world that could replace
You so just be mine.
I want you, I want you, I WANT YOU!
To Be Mine, Be Mine, BE MINE.

Verse2:

All the time I would think of you.
But I know it was just going to my head,
So I have to keep a headstrong.
(Headstrong when I'm around you)
So no use when I'm around you.
You effect me, You hypmatize me is
Away that I didn't even see.
(Didn't even see.)
Effect me with your lovin' girl.
Inject me with your poison so I never get
Over you.

Chorus:**Bridge:**

I know someday you will be mine.
So all I have to do is wait for a little
While untill you are ready to be mine.

Chorus:
