You are So-oh boring...
Your no fun and.
You suck really hard.
And you kill all the joy's in the fun.

You can be who you wanna be.
Be a loser and ruin things.
So you can rub it in people faces.
So go ahead and kill this, THIS.

CHORUS:
That's No Fun when you kill the joy.
Don't act like you don't know.
Cause your a fun killer.
Don't act that way-A.
T-T-That's No Fun, T-T-That's No Fun.
When it comes to yo-o-ou.
T-T-That's No Fun, T-T-That's No Fun.
Cause your not brand new shoe's.
You Should Know!.... That you!....
R-R-Real suck.

If fun would where to come to you.
It would be a bad connection.
Probelly it would start a reaction.
So don't call me, when start of the infection.

Fun killling is what you like to do.
You don't know about the consequences.
So get lose and get a hi-five.
From Your stupid friends.
There's one thing that you do.(ou)

(CHORUS)

You should leave.....
Everybodies buisness alone.

And just be cool for the first time.
But you love to be a kill joy and
ruin the fun... u... un.

(CHORUS)

T-T-That's No Fun, T-T-That's No Fun.
T-T-That's No Fun, T-T-That's No Fun.
T-T-That's No Fun, T-T-That's No Fun.
That your no fun.
