La fille du Lido

(x2)

She will find her way
In this big bad world
She's not the kinda girl
Who's gonna give up and turn
She's a fighter, she's a queen
She will never drop it down

Loosing all her faith
In this crazy place
But her Mama always told her
Believe in yourself
She's a dreamer, she's a king
She will never let it down
She will never ever let it down

Refrain :

Quand elle est sur scÃ"ne
Elle danse, se dÃ©hanche et se sent belle
Ses pas qui se chassent et qui l'entraÃ©nent
Un jour elle sera La Fille du Lido
Quand elle est sur scÃ"ne
Sur elle, les regards qui se promÃ©nent
Ses pas qui se croisent et qui s'enchaÃ©nent
Un jour elle sera La Fille du Lido

She will always run
For a better day
Cos she's not the kinda one
Who's gonna blow it away

She will fuss and she will fight
She will never let it go

Practice every night
Till the break o' dawn
Cos her Papa always told her
You gotta be strong
She's a dancer, she's a swan
She will never let it down
She will never ever let it down
