Psalm 46 says desist striving
and know that God is in control.

Lord God we pray that you'd take us back to the joy of our salvation
That joy that gives us strength

Don't grow weary
Sing it with me

Don't grow weary in doing well
Don't surrender in the fight
Keep on storming the gates of hell
Keep on doing what you know is right

Don't grow weary in doing well
Don't surrender in the fight
Keep on storming the gates of hell
Keep on doing what you know is right

For there will be seasons of testing
And there maybe weeping for a night
But soon we'll be reaping the blessing
If we keep pressing on toward the prize

Keep on praying in the Spirit
Keep on walking in the Light
Don't be fearful or discouraged
Keep on doing what you know is right

For there will be seasons of testing
And there maybe weeping for a night
But soon we'll be reaping the blessing
If we keep pressing on toward the prize

Don't grow weary in doing well
Don't surrender in the fight
Keep on storming the gates of hell

Keep on doing what you know is right

Keep on praying in the Spirit

Keep on walking in the Light

Don't be fearful or discouraged

Keep on doing what you know is right

Keep on doing what you know is right
