Baby, now that I've found you
I won't let you go
I build my world around you
I need you so, baby even though
You don't need me now

Baby, now that I've found you
I won't let you go
I build my world around you
I need you so, baby even though
You don't need me now

Baby, baby, when first we met
I knew in this heart of mine
That you were someone I couldn't forget
I said right and abide my time

I spent my life looking for somebody
To make me feel like you
Now you tell me that you want to leave me
But darling, I just can't let you

Baby, baby, when first we met
I knew in this heart of mine
That you were someone I couldn't forget
I said right and abide my time

I spent my life looking for somebody
To make me feel like you
Now you tell me that you want to leave me
But darling, I just can't let you

Now that I found you
I build my world around you
I need you so, baby even though
You don't need me now

Baby, now that I've found you
I won't let you go
I build my world around you
I need you so, baby even though

You don't need me, you don't need me no, no
