Endless highway, as far as I can see
The road'll take me back to him tonight
It's been so long since I've seen him smile
I'll be counting all the miles 'til I get home

How many hours 'til I hold him?
How many days before we hit the road again?
Endless highway, he don't know how much I miss him
Heading down this road, bound for Tennessee

Lonesome feeling, deep inside my heart
Longing for this weary night to end
I'll think about him, try to keep my tired eyes open
Come the morning light, I'll be back home again

How many hours 'til I hold him?
How many days before we hit the road again?
Endless highway, he don't know how much I miss him
Heading down this road, bound for Tennessee
