"Facing The Wall"

We're the guests, we're not here to rest
We're the guests, our plan's to find a nest
And maybe happiness

Someone's born just to walk and crawl
Someone's born to be strong and take it all
But someone is like me
And I keepâ€¦

Chorus

Facing the wall, standing to fall
Nothing is to lose
Facing the wall, waiting a call
Sick of being used
Facing the wall, no way to go
Lost the count of days
'Cause a "somebody's" game
Tortures our pain

Simple dreams
Seems they're all we do to reprove
That we need a second chance
And we'll get up and move

Someone's born just to walk and crawl
Someone's born to be strong and take it all
But someone is like me
And I keepâ€¦

Chorus

You don't know who I am
But my face and my name
What you're trying to see
It's my willing to live
Let me follow my way

Let me learn from mistakes
Every day is my day
I'm not pushing the breaks
I feel that it's gonna be alright
I'm sure that it's gonna be alright
And someday I'll stop

Chorus
