You'll get your money  
I'll get my friends  
Hard living's forgiven  
In the end

You got your troubles  
I got mine  
On a clear day I can  
Read your mind

Oh it's like a battlefield inside

You got to  
Give a little love  
Give a little love  
Give a little love  
To get a little love  
Give a little love  
Give a little love

I know you better  
Than you want me to  
Inside your pockets  
And walking in your shoes

Oh it can get better if you try

You got to  
Give a little love  
Give a little love  
Give a little love  
To get a little love  
Give a little love

Give a little love

I hope you  
Give a little love  
Give a little love  
Give a little love  
To get a little love  
Give a little love

Give a little love

I keep you close  
In my wildest dreams  
My rear-view mirror  
And you're waving to me  
Our last goodbye

You got to  
Give a little love  
Give a little love  
Give a little love  
To get a little love  
Give a little love  
Give a little love

I hope you  
Give a little love  
Give a little love  
Give a little love  
To get a little love  
Give a little love  
Give a little love
