How can it be permissible  
She compromise my principles  
That kind of love is mythical  
It's anything but typical

She's a craze you'd endorse, she's a powerful force  
You're obliged to conform when there's no other  
course, yeah  
She used to look good to me, but now I find her  
(bum bum bum bum bum bum)

Simply irresistible  
Simply irresistible [x2]

Her loving is so powerful (la la la)  
It's simply unavoidable (la la la)  
The trend is irreversible (la la la la)  
The woman is invincible (la la la)

She's a natural law, and she leaves me in awe  
She deserves the applause, I like it because  
She used to look good to me, but now I find her  
(bum bum bum bum bum bum)

Simply irresistible  
Simply irresistible [x2]

(Simply irresistible)  
She's so fine, there's no tellin' where the money went  
(Simply irresistible)  
She's so fine, there's no other way to go

Simply Irresistible
