Looking out the window
Still the same old scene
I could be talking to you
But you're not here
you're not here

I'm still waiting for you
I'm still waiting for you
I'm still waiting for you
I'm still waiting for you

Looking out the window
I want you here with me
I keep feeling lost without you
cuz you're not here
you're not here

I'm still waiting for you
I'm still waiting for you
I'm still waiting for you
I'm still waiting for you
Even if it all comes down
pick me up and take me home

[Interlude]

I'm still waiting for you
I'm still waiting for you
I'm still waiting for you
I'm still waiting for you
