(Chorus - Timbaland)

Beat Club

Shock the monkey wit 'em, shock the monkey wit 'em

To the beat now, Timbaland, uh

Shock the monkey wit 'em, shock the monkey wit 'em

To the beat now, Bubba Sparxxx, uh

Shock the monkey wit 'em, shock the monkey wit 'em

To the beat now, Ms. Jade, uh

Shock the monkey wit 'em, shock the, oh

(Verse 1 - Ms. Jade)

I don't start shit, but I'm quick to finish

Destroy, demolish, ruin, Ms. Jade abide the business

I know y'all like who is this young Philly gunness

Coming for everyone, Mrs. Jackson and both her sons

The battles already won, I don't think ya'll

understanding me

I just pick 'em out randomly, abusing what they hand to me

Use the gift that grinning me, humble so I don't damage me

I do it for the money, but mainly it's for my family

Niggas is not ready for what's about to happen

Female captain, coming out jabbing

Cocksucka sleeping that's exactly how it happens

Get ugly drunk with Bubba out in Athens

Right foot on the gas and left hand on the wheel

Beat Club shut it down so niggas mad for real

We doin' it any way, y'all rhymes is kiddie play

Silly puddy, young buddy, we don't got friends dummy

(Chorus - Timbaland)

It's gone get ugly

Shock the monkey wit 'em, shock the monkey wit 'em

It's gone get ugly

Shock the monkey wit 'em, shock the monkey wit 'em

It's gone get ugly, ugly, ugly, ugly

It's gone get ugly

Shock the monkey wit 'em, shock the monkey wit 'em

(Verse 2 - Bubba Sparxxx)

Though I am country, don't get the wrong idea  
My ego's gettin bigger, with every song I hear  
Cause y'all been bullshittin, spittin that booty chatter  
Out here for two days and came with somethin that  
truly matters  
On goes the saga, of Bubba's plight  
She won't see tomorrow, if I don't cut tonight  
That's just my mood now, I hate it came to this  
How else can I say it I don't speak no other languages  
I'm fairly ripped now, so this the jimmy talkin  
You hear that beat don'tcha that's just Timmy talkin  
Go 'head throw dem bows, fuck it, break a bottle  
Let's be honest none of us will ever date a model  
So let's just cut it loose, ignore the repercussions  
If you scared, then just forget what we discussin  
This that new South, take a picture of me  
Cause I'm a fuckin legend, and this is gettin ugly

(Chorus - Timbaland)

It's gone get ugly  
Shock the monkey wit 'em, shock the monkey wit 'em  
It's gone get ugly  
Shock the monkey wit 'em, shock the monkey wit 'em  
It's gone get ugly, ugly, ugly, ugly  
It's gone get ugly  
Shock the monkey wit 'em, shock the monkey wit 'em

(Verse 3 - Ms. Jade)

I don't won't much, just what's do to me  
Ignore gibberish, babble, and talking stupidly  
Throwing second chances, it's kinda slim to none  
I'd like to see what y'all thinking after my verse is done  
I'm sorta different now, from my younger days  
My attitude is adjusted cause on the mic I blaze  
Oh how I just love it, when they get upset  
Get or, haul ass on, that's your best bet  
They say love and hate, it go hand and hand  
Ms. Jade, never worry bout the next man  
I gotta think the past, but the futures better  
Never catch me off, my game's always whatever  
I ain't selfish but, I won't my own money  
I ain't never been Joe, but I can make you love me  
Now you can melt of that ice, or you cloud pour out that  
bubbly  
Believe the words that I'm saying this shit is gonna get  
ugly

(Chorus - Timbaland)

It's gone get ugly  
Shock the monkey wit 'em, shock the monkey wit 'em  
It's gone get ugly

Shock the monkey wit 'em, shock the monkey wit 'em  
It's gone get ugly, ugly, ugly, ugly  
It's gone get ugly  
Shock the monkey wit 'em, shock the monkey wit 'em  
To the beat now  
Shock the monkey wit 'em, shock the monkey wit 'em  
To the beat now  
Shock the monkey wit 'em, shock the monkey wit 'em  
To the beat now  
Shock the monkey wit 'em, shock the monkey wit 'em
