With a polished razor
I split my mind
And walk right in between
To find an answer to some?whys?
I try to face my secrets
I try to figure them out
And the pictures that I see
Show an assassin in disguise
He?s been always there
But never recognized
I can see his cool reactions
On the impulse that he gets
I?m not afraid of
His intention or will
I?m feeling good with a guy
Who knows exactly when he has to kill

All what he needs is a word
The Assassin in me
Oh yes he waits. So please beware
Of the Assassin in me

I react on impulse
That?s what I do
Don?t try to break me?cause
It may do some harm to you
I am the mirror
That you look into
Every time you?re smashing me
Will burst your heart in two
If you realise
What you?ve done to yourself
You?ll be feeling down, depressed
Instead of beeing satisfied
So who do you hate?
It?s not really me!
But if you think you?re right
Don?t wake up that guy in me

You won?t have to say?I?m sorry?
You won?t have to say a word

You?ve been warned before but
You gave no reaction to my words
