I tried! I retried
... to get rid off that handcuffs that tie me
But I see. Now it's all getting worse.
I don't mind. I'm prepared for desaster

I have changed... all I see
Is a way with no return

Cause I don't wanna bleed
If you want me to go... I'll do it again
Cause I don't wanna bleed
Don't try to hurt me this way, cause now I am
prepared... you know

Seven years, maybe more
I felt in my house like a stranger
All the tears I was hiding from you
(Are) now the lake you are trying to drown me in
I have changed... all I see
Is a way with no return

Cause I don't wanna bleed
If you want me to go... I'll do it again
Cause I don't wanna bleed
Don't try to hurt me this way, cause now I am
prepared... you know
