I'd like to tell you just a word
I am so sorry to disturb
You may be thinking I'm a fool

I heard you telling you don't care
I heard you thinking loud and clear
It doesn't make me proud of you

I know your time is precious
But give me just a second
I need to strength things out with you

You put my hopes and dreams away
And there is not a single day
I don't feel the worse because of you

[Refrain]

And I know ow oh oh oh oh oh oh
That is not a dreaaaam
But I saw ohoho
Yeah I saw your scheme
And I know oh oh oh oh
You
I saw oh oh oh

I wonder if there's a justice
When I look right into your eyes
Those feelings never lie

My only weapon is the song
And you won't have to sing alone
This is the story of my life

[Refrain]

I know I know I know I know yes I know
I saw I saw I saw'

[Refrain]
