You don't have to please me  
You just have to tell me that you walk away, you walk  
away, you walk away,  
Cause I know, I should let it go  
But I'm looking for a cigarette now,  
as you wrong my day, you wrong my day, you wrong  
my day,

And the saddest thing is that I know,  
That the craziest thing is that you love me so

Someday, somehow,  
At some point in my life, I will find my way,  
I'll find my way, I'll find my way,  
I'd better not cry,  
I'm not alone, even if you walk away, you walk away,  
you walk away,  
I won't beg you to stay

I'll get free of the memories,  
I won't feel guilty, for not begging you to stay,  
begging you to stay, begging you to stay,  
I'll get free of the melodies,  
I've been playing in lastly since you've crossed my  
way, you've crossed my way, you've crossed my way,

And the saddest thing is that I know,  
That the craziest thing is that you love me so

Someday, somehow,  
At some point in my life, I will find my way,  
I'll find my way, I'll find my way,  
I'd better not cry,  
I'm not alone, even if you walk away, you walk away,  
you walk away,  
I won't beg you to stay

Someday, somehow,  
At some point in my life, I will find my way,  
I'll find my way, I'll find my way,  
I'd better not cry,

I'm not alone, even if you walk away, you walk away,  
you walk away,  
I won't beg you to stay
