Let me be your guide
Your lighter in the night
When the sky is grey
I'll make you feel alright
You just have to say that you want me by your side

I lost all my innocence as soon as you said you wanted
to love me
Lost all my confidence when you said you wanted to
leave me
Feels like I'm dreaming
It feels so good, feels so warm in your arms

And I don't wanna burn my wings as I try to fly
They say that Venus lost her mind
But I saw her yesterday and she said

Let me be your guide
Your lighter in the night
When the sky is grey
I'll make you feel alright
You just have to say that you want me by your side

There's no justice in love
There's always one who loves more
I pray I pray I prayed all night long
Cause I wouldn't be the one who doesn't get enough,
no
Feels like I'm dreaming
It feels so good, feels so warm in your arms

And I don't wanna burn my wings as I try to fly
They say that Venus lost her mind
But I saw her yesterday and she said

Let me be your guide
Your lighter in the night
When the sky is grey
I'll make you feel alright
You just have to say that you want me by your side
