"Lightning Bolt"

Look! The sky
Turns to blood
The rage of heaven
Let the thunder strike
Heaven's war
Is going on
I'm scared
It makes me run

[Chorus:]
A lightning bolt
Shoots through the clouds
And leaves a riot down below
A lightning bolt
Strikes down the ground
And the earth begins to shake

The angel fell
From the burning sky
The shaking earth
Divides the ground
The gate to hell
Is open free
The fire spits at me

[Chorus]

[Solo]

I'm scared
I pray
I'm running away
I'm scared
I pray
I'm running away.....
