My spirit is crying  
And my brain is overloaded  
Heaven can't help me  
I think I'm going insane  
Flying high  
Where angels sing  
Burn my wings for  
Suffering

I got a hole in the head  
And god comes down from heaven  
He throws me down  
My mind is overflowed with madness

My sickness  
Is so hard and deep  
Madness haunts me  
In my sleep

[Chorus:]  
Rage in a..Rage in a cage  
Rage in a cage

My future is shrouded  
As my knife reflects my smile  
I close my eyes  
And watch my life fading away  
Just walking  
On broken glass  
Call me two-faced  
Psychopath!

[Chorus]

[Solo]

The day has come, I can't refuse  
I lost the fight 'cause the monster's loose  
No matter what you'll doing to me  
I won't repent. You'll see

[Chorus]
