We're locked up in prison and  
want to break free

A leader is wanted, but who could it be?  
A girl is the one, that we're searching for  
It's a reincarnation and we look for more

Howling of the wind is heard from a far  
We want to come back - our life is a scar

Something attacks you again and again  
It's a parasite, that slept in your brain  
Don't try to escape. We'd find you in the end  
Unlock the door to the far promised land

Now close your eyes and enjoy the view  
No one will miss a young maiden like you

[Chorus;]

Once again - rising high  
Out of death into life  
We sold our souls, but we want to survive  
Resurrection

Take a look in the mirror, you sweet little child  
Your destiny's to be restless and wild  
Use this one-way ticket to take us away  
The howling was heard and  
it's returning today

Don't look so afraid with your eyes of blue  
The gate is now open and you can run through

[Chorus]

[Solo]

Once again - rising high

Out of death into life  
Today is the day when the dead start to fight  
We're marching the world  
with darkness and light.....Destination

These are the official lyrics, like they are written in the booklet (a typo or two might have been corrected here, though).
