something really special.

sensational.

But ya better hold on cuz this feeling's so strong my
heart is just jumping from my chest.

I'm gonna pop n lock til the wall's broke down this shit
is fierce at best.

Go for the money baby... you're stone cold sister made
a mess of the rest it ain't funny - oh the money baby
Got you're finger on the trigger all cocked up and
ready to go - oh.....oh!

Baby how you handle when the pedals to the metal -
you break all the laws of physics..

There aint' no stopping when a bodies this rockin -
sugar your shit is ridiculous.

Let's paint the sky red - get you out of our head - there
will be no point of return

You make me chase chase for the love you make make
- now let's suck and suck or burn

Go for your money baby... you're stone cold sister
made

a mess of the rest it ain't funny - oh your money baby
Got you're finger on the trigger all cocked up and
ready

to go - oh.....oh!

Hey Hey Hey Hey

Go for your money baby... you're stone cold sister
made

a mess of the rest it ain't funny - oh your money baby
Got you're finger on the trigger all cocked up and
ready

Go for your money baby... you're stone cold sister
made

a mess of the rest it ain't funny - oh your money baby
Got you're finger on the trigger all cocked up and
ready

to blow - oh.....oh
