Strangerman  
Who are you  
To leave this way  
To leave this way

You changed your plans  
You've burned your bridges  
And you'll leave them this way  
You'll leave them this way

And are you so aloof  
That you trade directions  
When the winds change  
When the winds change

When you walk ahead  
You leave me behind

Strangerman  
You never know  
You never talked to me  
You never listened

That I had a voice you could not hear  
I had warmth I could not share  
You were cold as a stone  
Oh, I was so alone

When you walk ahead  
You leave me behind  
Oh, when you walk ahead  
You leave me behind

[Incomprehensible]  
And as I walk away [Incomprehensible]  
To you, yes it hurts [Incomprehensible]

When you walk ahead  
You leave me behind  
Oh, when you walk ahead  
You leave me behind

Strangerman  
Who are you  
To leave this way  
To leave this way
