In all this chaos
There exists a madness I can't define
A coming to an
Understanding of burdens in this life

Looking back at the strife
In living life by the knife
I was convinced somehow
That you would solve me

A haven in darkness
Ultimate hit and miss
Stupid me to believe
Somehow you would absolve me

All disruption
Of your imposed corruption
I've been here and it is clear
That this is not the way to go about living this

Oh chaos please let me be
Take all that you've given to me
Cuz I can't take anything you make
Please be gone

Now I know that the dictums
Of ancient systems
Are creating cyclical anguish
For a rotting status quo

I think that we must
Find it within us
To abandon conditioning
We've come to know

Oh chaos please let me be
Take all that you've given to me
Cuz I can't take anything you make
Please be gone

The world's a stage

But I'm no longer the actor
And I'll find my way to freedom
Despite the chaos factor

I'm no longer begging
This is my warning

Oh chaos please let me be
Take all that you've given to me
Cuz I won't take anything you make
Please be gone
