Gaze upon the seeming bastardized version  
Desperate diligence uncovering aversion  
And for the guarantees a stampede escape  
Losing it all along the way  
From sheltered existence my own stifled experience  
Creating a Ziploc world of makings delirious  
But I've remained pious to the ethics of the day  
Keeping beautiful demeanor but writhing for surfacing

But it won't leave my mind  
Always consuming me  
I have no other cause  
Cuz this is what I breathe

My patience wearing thin  
The walls are caving in  
Just let me know the end  
Cuz this is what I need

Oh I know it's this or nothing at all

But now the adamant being so brave that I once  
claimed myself to be  
Has opened his ears and is suffocating from all their  
questioning  
And all the swells of a growing doubt pulling me away  
until I'm without belief  
Fearful with no answers for anyone I need relief

But it won't leave my mind  
Always consuming me  
I have no other cause  
Cuz this is what I breathe

My patience wearing thin  
The walls are caving in  
Just let me know the end  
Cuz this is what I need

Oh I know it's this or nothing at all

Symptoms of a burning rope I'm scared out of my  
goddamn mind  
Reassure a fading hope I feel I'm running out of time  
Impervious pressure, impending doom  
I'm gonna crack karmic cycle your payment is due

So I say with a final breathâ€¦  
Just give me this or give me death

But it won't leave my mind  
Always consuming me  
I have no other cause  
Cuz this is what I breathe
