Not havin it  
""My lightning my thunder""  
It does not end  
""Not havin it"" ""My lightning my thunder""  
""Not hav-""

Xzibit (lightning) Defari (come on) ""not havin it""  
""My lightning my thunder"" ""not havin it"" ""my  
lightning my thunder""

(Defari)  
Look what the wind blew in, a Wild West storm  
In the form of Thunder and Lightning  
Xzibit be the Thunder, Defari be the Lightning  
Crack a shark's teeth when he be bitin  
These fakers can't stand it to sell they bandit  
With silver-tipped lyrics I shoot across the holy planet  
Your favorite's Janet, I'm bangin hits that's hard like  
granite  
Surprising these critics cuz that's the way I planned it  
Your brain I scanned it, and analyzed your weakness  
You're not creative, niggas like you we call leeches (say  
what)  
(That brother teaches, yep) don't make no big deal of it  
I just knows I don't half-step  
The after high noon Moonshine saloon  
That's where you find a table reserved for X and Herut  
From Alaska to the Mellanys  
Don't give a fuck where you look, they feelin Likwit  
emcees

Chorus (Tash)  
""Not havin it""  
Xzibit's da Thunder, Defari's da Lightning (4x)

(Xzibit)  
Y'all niggas speakin out of anger and ignorance  
But Xzibit got the diligence  
Defari sparkin joints in the ligiments  
Kill-aforntia b-boys who search and destroy misions  
Bring the heat to raise the temperature in hell's kitchen

Don't get too relaxed and find yourself missin, listen  
Shot caller from a whole new position, relieve the  
tension  
Break bread with my brothers  
All the bitches we fuck be hangin out wit one another  
And associate my good times wit Hennesy straight  
Can you relate, or is your heart filled wit hate?
