Intro:

From city to city, coast II coast
Friday night is the night they like to party the most
(We came, to rock, for everybody)
From city to city, coast II coast
Friday night is the night they like to party the most
From city to city, coast II coast (all night y'all)
Friday night is the night they like to party the most

Verse One: Tash

(From city to city, coast II coast)
I make rappers see more stars than Space Ghost
Cause my fiver I kick lyrics make em sound like [walkie talkies]
So the poet cracks the Moet while they drink the Old Milwaukee
Off the hook with (droppin visions) so the Leo of the trio
(Without the sexy voice) scoops more hoes than Theo
So I dedicate this rap to all my ghetto spokesmodels
Dressin like y'all paid, redeemin Coke bottles
So nod to the oddness as the story gets told
While I burn these MC's like Rotisierrie Gold
Cause you know the reputation of the L-I-K-Ses
The crew that wets you with they beer until somebody undresses
I bust my shit and peel! Grab my wheels of steel
If y'all niggaz can't feel me than y'all niggaz ain't real
I hit so hard the WBC
Called to ask me could the champ come and train with me
Cause my liquidatin flows transpose on niggaroles
Individuals, close they eyes, cause I blurred they visuals
And I'm about to be as large as Houdini in a minute
(Now the party didn't start) Till the Liks walked in it

Chorus:

From city to city, coast II coast

Friday night is the night they like to party the most
All night y'all (city to city) all night y'all
When the Liks is (coast II coast) in the house get hype
y'all

From city to city, coast II coast
Friday night is the night they like to party the most-
