[Tash] Ahh, ahh I be killin it (why Tash?) cause I be feelin it I get money so no need for stealin it I work diligent beneath the Earth's soil where I write rhymes so fresh it's like I wrapped my styles in foil But I sit at home and boil spicy rum when it's freezing Cause I from the Likwid crew where we got drinks for every season Maybe that's the reason why I live high all July And the place I buy my beer is callin in for more supply Maybe not, maybe so, maybe yes, maybe no Maybe niggaz got some friends that wanna battle for some dough If you know somebody holla, cause I take those extra dollars Split that shit with J and Swift, buy a ninety-six Impala and lace it with the deez out my own stack of cheese Get a extra flossy floss and toss King Tee the keys and say, 'Nigga that's yours, cause you opened up doors Before Tha Liks had a deal, you had a nigga on tour So God bless ya, never let this rap pressure test ya You know who got your back when them other niggaz sweat va' So check uno dos while I roast this coast a toast When it comes to beats and rhymes, you know who got the most I be killin it (killin it) killin it (killin it) Tha Liks rock that shit that have all ya niggaz feelin it Killin it (killin it) killin it (killin it) J-Ro is up next to flow []-Ro] Dat's me I be killin it (killin it) when I be feelin it
