{J-Ro} Man I'll hop over this motherfucker and get my

Hey niggy, what time it is...

Verse One: Tash

It's time to roll my sleeves, fuck a few MC's up  
Another rough cut, from the crew that won't ease up  
The Alkaholik click, AKA the forty downers  
Flips rhymes like Calvin flips fries and quarter  
pounders  
I never drink and drive cuz I might spill my drink  
I failed the breathalizer so they took me to the clink  
Niggaz earlin in the sink cause they can't fade the  
Cisco  
I'm from the old school but I never rocked a disco  
Loops from the group that, likes to smack the bitches  
Tha Liks is hittin hookers like a gangsta hittin switches  
Front, to the back, to the side, to the side  
And make you dance with these bitches but, no electric  
slidin  
And I'm about to flip, but first I'm bout to sip  
Off the forty ounce of brew that I was savin for the trip  
Back to the lab cuz all I do is bang cuts  
That's why I hang around my group like a dick hang  
with nuts

Verse Two: J-Ro

I push one two's when niggaz step on my shoes  
Oh you haven't heard the news I've been giving fools  
blues  
Manhandling chumps that step up, just to keep my rep  
up  
I push my fist through your grill  
I never became a gangsta, thanks ta, my skill  
on the nine inches of steel  
You ask me what the K's
