Intro:

That's the Alkaholiks functions, conjunction junction  
The remix version for all the brothers out there  
that got shit on they chest and just wanna let it out

[Tash]

ANything you could do I could do fresher  
WHen I'm on the microphone I rock the shit without no  
pressure  
Cause I snuck my forty ounce past the bouncer with  
the stun gun  
I gots to get some lyrics off my chest so let me run one  
Cause who's bad? Not Michael Jackson when I asked  
him  
I even rock the mic for seven days with Toni Braxton  
It's the, Liks, rockin like a six point six  
So while I be scoopin bitches you rush the porno flicks

[J-Ro]

For reals, I gots more skills than an occupation center  
I got your hoe cookin my dinner  
Action, lights and cameras ain't needed  
Indeed it's, the nigga that be gettin rappers heated  
I'm J-Ro, and my style is darker than a mole  
My rhyme is so hot you got to stop drop and roll  
All the Liks releases, become masterpieces  
Oh jeezus, my style is sick like pork greases

Chorus:

And I can't holt it in [I can't hold it in]  
I gotta let it all out [I gotta let it all out]  
They'll say I can't hold it in [I can't hold it in]  
I gotta let it all out [I gotta let it all out]

They'll say I can't hold it in [I can't hold it in]  
I gotta let it all out [I gotta let it all out]  
They'll say I can't hold it in [I can't hold it in]

I gotta, I gotta let it all out

[J-Ro]

I get in em when I sin em, the Alkaholik venom  
I fold your clothes with your body still in em  
The rhymes I got, hit like Ronnie Lott  
The only way you take my spot is with a shot  
I grab rappers by the hand and make sure they  
understand
