[Defari] One two, Defari's in the house  
[J-Ro] Defari in the house, you're now rockin with the best

Verse One: J-Ro

Everytime I rhyme I swing mine like wind chimes  
It's crack a brew, tie your shoe, do a backspin time  
I quit sellin weed but I stuff dimes in my sack  
TJ Rolls, Crackerjacks, Mad Lib, Loot Pack  
I make you move and change your number like ? to wear you out  
like slacks, like when the button on your back pocket cracks  
I used to roll with moms, shotgun in the Datsun  
Rest in peace shouts out to Donnie LaToya Watson  
A real mother for ya, the Ro will never bore ya  
I clock mail like Mel be spittin game like a lawyer  
I rolled it up, spark it, then I blow like  
Branford got one more Son than Sanford's tryin to send him to Stanford  
... and ohh yo like Quasimoto  
my name rings bells, it's time for Tha Likwit photo  
Yes... ladies and gentlemen...  
You are now rockin with the best

Chorus: all

Yes, you are now rockin, you are now rockin  
You are now rockin with the best  
(repeat 2X)

## Verse Two: Phil Da Agony

You're now rockin with the best, maximum capacity  
for MC's that ain't for the Schlitz Malt Liquor Bull  
Pullin words like tug of war from my memory banks  
core secure, sweat pours through the forces I give em  
more  
Who wanna see a Likwit MC  
without the glass ya laugh, feel the wrath of the blast  
of the liquor in the flask, so donc12
