The L-I-K-S, what makes them motherfuckers so damn

Verse One: J-Ro

Youse a nigga everybody diss cause you can't bust this  
You got a bad name like Dick Butkis  
Welcome to the next level, of rhyme flowin  
Scratchin, hookin up beats, and hoe catchin  
Everytime I come home, I got fifty messages  
I only call back the girls with big big breasteses  
Ooh, I got bitties, in all the major cities

I beeped this fillie from Philly, we was puffin on a phillie  
She started actin silly, so I popped her like a willie  
I'm like Kukamunga, I'm way out

You better recognize, adjust your bifocals  
Your style is local, I sit on beats in Acupulco  
I put words together like Peter Jennings  
And skate on motherfuckers like Peggy Flemming  
So woah to those who owe  
From one oh four five six to nine oh two one oh  
I'm sippin on pina colada  
Two blocks off La Seneca, at the Ramada

But hold up, I'm not done yet  
I get hard like the perm pimps wear on Sunset  
So recognize when you feel it  
DITC, you can't steal it, aight
