Intro:

(first 0:52 -- small club, Liks performing live
next 0:20 -- sounds of clinking ice cubes, drinks being
poured)

Voodoo - Alright, we're back on WLIX this is Voodoo
and uh

chaos ensues

E-Swift - Aiiyo, they came down, you know

I know y'all get asses all the time

But do me this favor

I want y'all to bust the freestyles for us

I wanna know who's first up, you freestyle?

Tash - Yo yo, we got Crackerjack from the Loot Pack

about to se this shit off, ay Crackerjack

Set it off. I know we on the radio, yo Crackerjack

set it off

Verse One: Crackerjack

Ya dumb dunce it goes once upon the rhyme, Jack is
out

to clench a fist and drop flows that gets papes like The
Abyss

All in this, freestyle's wild when I'm throwin this

Non-bogus brothers shake the hip and toe and just

Get involved, roll with the sould, make the head nod

Look at the bash slash back I kick the abstract

Make brothers say "Damn, that rap's fat," recline that
ass back

A smack-back and slap from Wild Child with the
ramshack

I used to pick up the damn slack bed on the ramps back
in the days, when Eric, was in the, honey phase

Nowadays, turn in applications

Rockin the Appalachians with the ladies with the sexy
activations

on the Blackwatch, I own a black watch, although I'm
Blackwatch

You want to, confront who? A microphone check one
two

Complicated for ya [yeah]

I got the naps that break the pics

Plus the props from the Liks

Ha haa, Loot Pack's on the rise
Sayin, "Liks lik's boy, run your backside"
Yo, J-Ro, Mad Lib, my man
Just, get on the mic and please arise the jam
Verse Two: Mad Lib, J-RO
I bust the animated suspension, vocabulary wack MC
prevention
My division is it
