

R.I.O "Animal"

Visit "[Animal](#)" on MotoLyrics.com

She's an animal, whoa, a party animal, whoa

Like an animal, on the dance floor
Silent murderer, hunting after you
She's untamable, but you never know
Make one move, she'll run out of control

Come on danger girl, let me volunteer
I'm all bulletproof, let's get out of here
Shawty you're the one, but incognito
Kill the lights, let's get loose on the floor

She's the lady I wanna know
Kind of chick, out of control
She's a diva and she knows why the club goes wild
She's an animal, whoa,

She's the lady, I wanna know
Kind of chick, out of control
She's a diva and she knows why the club goes wild
She's an animal, whoa

Party animal, whoa, party animal

I got a rocket full of love, I know it's crazy
Way you move that ass, baby not too fast
Can feel my blast, I'm bulletproof, it's gonna
loose
A party animal, now make your move

She's creeping in, through your back door
Silent killer queen, looking out for you
She's invincible, never let you go
Cause tonight she'll be out on patrol

Come on danger girl, let me volunteer
I'm all bulletproof, let's get out of here
Shawty you're the one, but incognito
Steal the night, let's get loose, give me more

Party animal, whoa, come party animal, whoa

Sheâ€™s the lady, I wanna know
Kind of chick, out of control
Sheâ€™s a diva and she knows why the club goes wild
Sheâ€™s an animal, whoa

Yes you are, party animal star,
Way you move in the spotlight turn me on
You gotta faze me, go on and chase me
Got a rocket full of love, you know itâ€™s tasty
Yeah itâ€™s no grind, come weak your body on
kryptonite
I weighs a ton, I load the gun
Thatâ€™s all I need to rip the party animal, whoa,
Letâ€™s go

Sheâ€™s a diva and she knows why the club goes wild
Sheâ€™s an animal (Animal)

Sheâ€™s the lady, I wanna know
Kind of chick, out of control
Sheâ€™s a diva and she knows why the club goes wild
Sheâ€™s an animal, whoa.

Sheâ€™s the lady, I wanna know
Kind of chick, out of control
Sheâ€™s a diva and she knows why the club goes wild
Sheâ€™s an animal, whoa.
