I know he don't love you
And I know he don't care
'Cause you've been callin 6 in the morning, crying now
worried
Saying that he never comes home at all
So convinced that he be cheating
But you just won't believe it
You're telling me I'm wrong 'cause when he's good
You've got all this good love
But when it's bad girl, you've been calling me

Chorus:

If you're with me, girl you know I'ma do you right
I'ma treat you in the way that a girl suppose to be
I'ma love you long time, fill you with my love right
I'ma give you all the missing pieces that he couldn't
give
Like a jigsaw
Oh girl, like a jigsaw

He's got you feeling like you don't know yourself no
more
Going round and round in circles, you don't know
what's right from wrong
All I wanna do is have you here with me, to show you
I'm the one
To be your superman, and show that it'll be alright
Me and you riding, with the roof down and,
Shopping in the mall, I can see you smiling
And then you see the time and hurry right back home
I'm like hold up wait one second, you don't need to go
right now
You're on my time, I'm here for life
Won't you just smile with me

Chorus:

If you're with me, girl you know I'ma do you right
I'ma treat you in the way that a girl suppose to be
I'ma love you long time, fill you with my love right
I'ma give you all the missing pieces that he couldn't
give

Like a jigsaw

You don't deserve to be treated like this
To have to fear, for the sake of his fist
No happiness, no love or trust
A cold place only to hurt
Baby in me you will find the missing piece
Come with me

[2 x Chorus:]

Oh girl, like a jigsaw
