Yeah, the party shaker  
Wake up, wake up  
People getting on  
I'm gonna rock your body  
Stand up, stand up  
We're moving all the way to the top  
We flying high, so high  
To the sky  
And we lead any dance floor  
Right tonight  
We will blow this club way

Chorus:  
From Rio to Jamaica  
We are the party shaker  
So welcome everybody  
Let's party tonight  
Will sit until is wasted  
They call us troublemakers  
But we just like to party  
And party tonight  
X 2

But we just like to party  
And party tonight  
All right, all right  
Love is in the air  
The girls go naughty  
Tonight is the night  
We blow this disco lights  
We flying high, so high  
To the sky  
Make it over the rainbow  
Right tonight  
We will blow this club way

Chorus

So if you wanna dance  
The party never ends  
So people put your hands up

Your ass shake  
Your body rock in dance  
Let's get ready to the party tonight

Let's make that party,  
Everyone do what wants  
So ,  
If you want one more  
You just know on the door  
Everybody get your ass down on the floor

Chorus

All of my people  
From Rio to Jamaica
