In strange town I'm on my mission

Let me be your rainbow rising on

Let me be the love that comes form the sun

My love ya comes out of devotion

In strange town I'm on my mission
Where we praise the day straight our way all the nation

Let me be the love that comes form the sun
Let me be your rainbow rising on
Every single race out of space
Will shine on, shine on

Let me be the love that comes form the sun
I wanna be your love light from above
Shine on, shine on, sh
