Bush:

This land is your land, this land is my land  
Im a Texas tiger, youre a liberal weiner  
Im a great crusador, youre a herman munster  
This land will surely vote for me

Kerry:

This land is your land, this land is my land  
Im an intellectual, youre a stupid dumbass  
Im a purple heart winner, and yes its true, I won it thrice  
This land will surely vote for me

Bush:

You have more waffles than a house of pancakes  
You offer flip flops, I offer tax breaks  
Youre a U.N. pussy and yes its true that I kick ass  
This land will surely vote for me

Kerry:

You cant say nuclear, that really scares me  
Sometimes a brain can... come in quite handy  
But its not gonna help you, because I won three purple  
hearts  
This land will surely vote for me

Bush:

Youre a liberal sissy

Kerry:

Youre a right wing nut job

Bush:

Youre a pink coat comey

Kerry:

Youre as dumb as a doorknob

Bush:

(HEY) You got that Botox

Kerry:

But I still won three purple hearts

Both:  
This land will surely vote for me

Indian: (talking)  
This land was my land

People:  
But now its our land

Schwarzenegger:  
From California

Clinton:  
To the New York Is... hey what'd I do??

Kerry:  
From the liberal weiners

Bush:  
To the right wing nut jobs

Kerry:  
This land belongs

Bush:  
This land belongs

Both:  
This land belongs to you and me

Bush:  
(YEAH) oh and Dick Cheney too!
