Eyes that are black as the night
As soon as I smell blood, I strike.
If you don't pay back
Innocent
Be attacked, attacked.
Hiding in shadows,
Cast by the moon.
Mobsters are waiting,
Inside the saloon.
I'm a loanshark,
Collecting payments overdue.
I'm a loanshark,
Does your mother know I'm after you?
I'm a loanshark,
Down on your knees
I'm a loanshark,
I'll squeeze what I want from you.
I'm a loanshark,
Collecting payments overdue.
Many a man,
Are in debt to me.
Concrete,
And into the sea.
(?)
I have spies all over town.
Don't laugh,
"Cause this man ain't foolin' around.
No way !
Hiding in shadows,
Cast by the moon.
Mobsters are waiting,
Inside the saloon.
I'm a loanshark,
Collecting payments overdue.
I'm a loanshark,
Does your mother know I'm after you?
I'm a loanshark,
Down on your knees
I'm a loanshark,
I'll squeeze what I want from you.
I'm a loanshark,

Collecting payments overdue.
Hey, hey, that's right boy,
You better come up with that greenback dollar,
Yeah, you know what I'm talkin' 'bout baby!
I'm a loanshark,
Collecting payments overdue.
I'm a loanshark,
Does your mother know I'm after you?
I'm a loanshark,
Down on your knees
I'm a loanshark,
I'll squeeze what I want from you.
I'm a loanshark,
Collecting payments overdue.
