yare yare yare

min ya zani evro dawata ta ya
hata nuka hesh dile min Isar ta haya
ez de zanim aveena min chu be fay da ya
bas chibikem hesh av dile asheqe ta ya

yare yare yare

yare mexabiny tu avro bike
le jihe min ek dee ya zava
chawa bu ek a dee rash bekee birye chava
tu aw bee ya min sere ta sind xar har dam u gav
ne mexabin tu evro bikee na evem zava

I am sorry I am not kurdish and my spelling of words would be incorrect, but if some kind person would go on you tube and listen to the song and translate it for me I would be forever grateful, This song is sooo beautiful I am just dying to know what the words mean, please would someone do me this huge favour and find the song and translate it for me in english, thank you so much
