Bubblin' from the left, yes, we're bubblin' from the  
right,  
Craig David and Robbie Craig, bubble all night.  
Bubblin' from the left, yes, we're bubblin' from the  
right,  
Craig David and Robbie Craig, bubble all night.  
This is how we do, woman trouble, woman trouble,  
Woman trouble, woman trouble,  
Woman trouble, woman trouble.

I feel fantastic, bombastic, ecstatically astounded,  
How a girl can really lose her brain,  
I feel surrounded, confounded, emotionally  
dumbfounded,  
To think you've nearly won your game, oh yeah.

You say that I have been gone too long,  
Don't try to tell me that I was wrong, (re-e-e-e-e-e-e-  
mix)  
Totally, broken me, god the hurt in my face,  
Now I know the only thing to do, is to give myself some  
space.  
I bet she never told you everything that drifted through  
her mind,  
All the secret thoughts,  
Well I bet you never caught her sliding with another  
man,  
Such as I did, no, no,  
I hate to see the way the finger points at me,  
I'm at fault, I don't think so.  
After all is said and done girl, you know you had your  
fun,  
Why don't you leave it there?

I feel fantastic, bombastic, ecstatically astounded,  
How a girl can really lose her brain,  
I feel surrounded, confounded, emotionally  
dumbfounded,  
To think you've nearly won your game.  
I feel fantastic, uh bombastic, ecstatically astounded,  
How a girl can really lose her brain,

I feel surrounded confounded, emotionally  
dumbfounded,  
To think you've nearly won your game, oh yeah.

You say you had a girl with problems, tell me,  
Did it lead to heartache and confusion? (re-e-e-e-e-e-e-  
e-mix)  
Did you wake up in tears not knowing where you are?  
Did you get it in the ear like I did, like I did?  
I bet she never told you everything that drifted through  
her mind,  
All the secret thoughts,  
Well, I bet you never caught her sliding with another  
man,  
Such as I did, no no,  
I hate to see the way the finger points at me,  
I'm at fault, I don't think so,  
After all is said and done girl, you know you had your
