Get up, keep on moving  
Get out, don't matter what you're doing  
Keep up, don't wanna miss this  
Come on, you've almost made it

Don't let them keep you down  
Pick yourself up off the ground  
Get up, get out

Get up, why are you waiting?  
Get out, don't matter what they're saying  
Keep up, you gotta see this  
Come on, don't let's miss it

Don't let them keep you down  
Pick yourself up off the ground  
Get up, get out

You don't like the place you're living in  
Get up, get out and make a change  
You don't want to face, you're giving in  
Get up, get out and make a change  
Oh, change

Get up, keep on moving  
Get out, don't matter what you're doing  
Keep up, don't wanna miss this  
Come on, you've almost made it

Don't let them keep you down  
Pick yourself up off the ground  
Roll off of it and get out all your love  
Get up, get out

You don't like the place you're living in  
Get up, get out and make a change  
You don't want to face, you're giving in  
Get up, get out and make a change  
Oh, change

You don't like the place you're living in

Get up, get out and make a change  
You don't want to face you're giving in  
Get up, get out and make a change  
Oh, change

You don't like the place you're living in  
Get up, get out and make a change  
You don't want to face, you're giving in  
Woah, get up, get out and make a change  
Oh, make it change

Get up, get out
