I got a thing for you
I got a thing for you
I got a thing for you
I can't let it go

You're so mysterious
You got me curious
I think of the both of us
Together, all alone

I need a cage, I need a leash
Now that we've woken up the beast
Yeah, yeah

I wouldn't lie to you
Unless you want me too
I got a thing for you
I can't let it go

Well, even when you sweat, you sweat with style
Making my imagination run wild
Yeah, yeah

I got a thing for you
I got a thing for you
I got a thing for you
And I can't let it go
And I can't let it go
And I can't let it go
And I can't let it go
And I can't let it go
