Break through the undertow, your hands I can't seem  
to find,  
pollution burns my tongue, cough words I can't speak  
so I

stop my struggling, then I float to the surface,  
fill my lungs with air, then let it out

I give it all, this is the reason why I sing,  
So give it all, 'cause it's these reasons that belong to  
me

Rock bottoms where we live, and still we dig these  
trenches,  
to bury ourselves in them, backs breaking under  
tension

For far too long these voices, muffled by distances,  
it's time to come to our senses, up from the dirt

We give it all, this is the reason why I sing,  
So give it all, it's these reasons that belong to me

Breathe, the air we give, the life we live, our pulses  
racing distances,  
so wet my tongue, break into song, through seas of  
competition,

So please believe your eyes, a sacrifice,  
is not what we had in our minds,  
I'm coming home tonight, home tonight

We give it all, this is the reason why I sing,  
So give it all, it's these reasons that belong to me

Today I offer all myself to this I'm living for my dying  
wish,  
I give it all, now there's a reason, there's a reason, to  
give it all
