[Male Voice:]

Tell me what I'm supposed to do,  
With all these leftover feelings of you,  
'Cause I don't know,  
And tell me how I'm supposed to feel,  
When all these nightmares become real,  
'Cause I don't know,

[Male Voice:]

And I don't think, you see the places inside me that I  
find you,

[Male & Female Voice:]

And I don't know, how we separate the lies here from  
the truth,

[Male Voice:]

And I don't know, how we woke up one day somehow  
thought we knew,  
Exactly what we're supposed to do.

[Male & Female Voice:]

So leave me, at the Roadside,  
And hang me, up and out to dry,  
So leave me, at the Roadside,  
And hang me, up and out to dry,

[Male Voice:]

And I don't think, you see the places inside me that I  
find you,

[Male & Female Voice:]

And I don't know, how we woke up one day somehow  
thought we knew,

[Male Voice:]

Exactly what we're supposed to do.

[Male & Female Voice:]

So leave me, at the Roadside,  
And hang me, up and out to dry,  
So leave me, at the Roadside,  
And hang me, up and out to dry,

[Male Voice:]

'Cause I don't think, you see, the places inside me that I  
find you,  
[Male & Female Voice:]  
And I don't know, how we woke up one day somehow  
thought we knew,  
Exactly what we're supposed to do.

[Male Voice:]  
Exactly what to do.
