Somewhere between happy, and total fucking wreck
Feet sometimes on solid ground, sometimes at the
edge
To spend your waking moments, simply killing time
Is to give up on your hopes and dreams, to give up on
your...

Life for you, (who we are) has been less than kind
So take a number, (who we are) stand in line
We've all been sorry, (who we are) we've all been hurt

Life for you, (who we are) has been less than kind
So take a number, (who we are) stand in line
We've all been sorry, (who we are) we've all been hurt
But how we survive, (who we are) is what makes us who
we are

(Who we are)
It's what makes us who we are
(Who we are)
Makes us who we are
(Who we are)
It's what makes us who we are
(Who we are)
