 and Kafka (a German novelist-utopist)

In evenings he was burning (shortcutting) the electric wires of his neighbors
 To let her think, not being disturbed by their TV

He was tryin' to be a well-read nerdish fellow
 Often he cut (looped) cables of his next-door neighbors

After beers his friend tried to remind him clear
"Why on Earth an average Russian electrician

He was taking her to Children' Christmas parties
After he was forced to like the chamber music
