Verse

They said youÃ¢â€Œ™ re back and they say  
youÃ¢â€Œ™ ve been down  
I thought IÃ¢â€Œ™ d talk to you now  
IÃ¢â€Œ™ ve got the music turned down  
IÃ¢â€Œ™ ve got my thoughts turned up loud  
I stopped to talk and they said you been bad  
You said you wish IÃ¢â€Œ™ d come back  
And its fine to talk  
But I refuse to be your rock

Prechorus

I donÃ¢â€Œ™ t want to waste any time  
And all that I say are lies

Chorus

And IÃ¢â€Œ™ ll sing the same song,  
and IÃ¢â€Œ™ ll do the same things that IÃ¢â€Œ™ ve  
done all alone  
And IÃ¢â€Œ™ ll sing the same song,  
and IÃ¢â€Œ™ ll do the same things but IÃ¢â€Œ™ ll do  
them all wrong

Verse

I got your call and they said its too late  
I should have stopped by on my way  
And you said you gave in  
Sometimes its time to cave in  
You said your back and its for the last time  
I built your city on my spine  
But my legs are tired  
And IÃ¢â€Œ™ m not strong enough to save

Prechorus

Chorus
